Corporate events with a conscience

Supporting the Currumbin Wildlife Hospital Foundation aligns your brand values with a trusted and worthy cause that is dedicated to preserving wildlife for future generations to enjoy and will assist the incredible work done by the dedicated vets, nurses, students and volunteers.

Guests enjoy a personalised unique and unforgettable experience that also celebrates the gift of giving.

Your guests will be submersed in the natural surrounds of lush tropical, bush within the Sanctuary and will enjoy canapes and pre-drinks along with delicious food stations or plated dinner and beverage package offering an array of soft drink, beers and wine.

Corporate events with a conscience are the ideal way to entertain guests, network or raise funds for your Currumbin Wildlife Hospital.
