EXPLORE MORE

With over 27 hectares of wide-open spaces featuring lush rainforest and Australian bushland, Currumbin Wildlife Sanctuary is in the heart of Currumbin.

The Sanctuary is a not-for-profit organisation that invests all proceeds back into caring for wildlife and various conservation programs.

Feed wild lorikeets, see mammals, reptiles, birdlife, exotic species and 'live' shows! Enjoy an animal encounter, ride the miniature train, cool off at Wild Island Adventure Splash Zone, visit one of the world's busiest hospitals in action and immerse yourself in a forgotten world in Lost Valley.
