# SPONSORSHIP PROPOSAL

Wildlife for Tomorrow Charity Gala at *The Homestead*

## SAVING WILDLIFE FOR TOMORROW

We invite you to be a part of the first Annual 'Wildlife For Tomorrow' Charity Gala at *The Homestead*, an exciting new venue nestled in the heart of our iconic Currumbin Wildlife Sanctuary.

The Wildlife For Tomorrow Charity Gala raises much needed funds for scientific research and wildlife conservation by bringing together people who care about our precious wildlife and who want to protect our most vulnerable species for future generations.

**Join us in the fight to save threatened species.**

You can join us as a sponsor for this event, to celebrate the work of Currumbin Wildlife Hospital and Currumbin Wildlife Sanctuary's conservation teams by donating a prize for the raffles and auctions or by being an official event sponsor. This is your chance to make a difference and showcase your company's brand while enjoying an exceptional evening with like-minded people.

It will be an evening like no other, immersed in the beautiful Sanctuary environment, under the twinkling lights and surrounded by the sounds of our precious wildlife.

***“Only through understanding and knowledge can we truly hope to save Australia’s vulnerable species.”***

*Dr Michael Pyne OAM, Senior Vet at Currumbin Wildlife Hospital*
