The location

Currumbin Wildlife Sanctuary is a National Trust Queensland property located on the Southern end of the Gold Coast. It is the perfect location for guests travelling from Surfers Paradise (approx. 30mins) and is just a short 5-minute drive from Gold Coast Airport.

Set among 27 hectares of lush rainforest and natural bushland, the Sanctuary sits just metres away from popular Currumbin Beach.

Offering perfect backdrops for wedding photos, couples can capture special moments in lush and leafy locations and take a short stroll to the beach for stunning sunset photos too. Our all-inclusive packages and many idyllic 'I Do' locations combine to offer a wedding package like no other.

Dedicated to making sure that your wedding day vision comes to life, our award-winning events team will guide and support you through the entire process from your very first enquiry, taking care of suppliers, timelines and much more.

Currumbin Wildlife Sanctuary is a not-for-profit organization renowned for its contribution to animal conservation, sustainability and eco-tourism. This means

that proceeds from all events are reinvested back into programs that continue to care for native wildlife and the environment, preserving what really matters for future generations to enjoy.

Our ceremony venues

Lost Valley Rainforest

Covering five hectares of natural rainforest, Lost Valley is the most secluded ceremony venue in the Sanctuary.

Drink in the serene beauty as you and your guests stroll along elevated timber boardwalks onto a suspended platform set in the centre of an incredible free-flight aviary.

Surrounded by cascading waterfalls and the sounds of the rainforest this space offers a peaceful and tranquil setting, a whole world away from the busy Gold Coast.

Pelican Point

Perched on the edge of a small sandy lake in the centre of the Sanctuary, Pelican Point offers a stunning backdrop with a nautical feel.

Our team will happily transform this space to meet your specific needs to wow your guests! This location is a perfect place to toast your marriage and perhaps enjoy a cocktail hour after you exchange vows elsewhere in the Sanctuary.

Fig Tree Pond

A canopy of trees with sweeping branches and waterfalls with a surrounding pond create this picturesque venue that offers a relaxed open-air feel.

A majestic fig tree reflecting the history of the Sanctuary stands proudly nearby overlooking Fig Tree Pond, a popular location that caters to larger guest numbers. It is a perfect spot for group photos.
